

Brisbane houses for the year ending 31 Oct 2008

Brisbane houses for the year ending 31 Oct up 18.27%

Melbourne houses for the year ended 31 Oct up 16.78%

Townsville houses averaging 18.5% for last five years and is still the top regional predicted growth area due to an additional 1500 defence force personnel being transferred there over the next few years creating demand for an extra 800 homes in addition to Townsville's on-going record population growth.
